Curriculum Theme this half term:

Achievement and Success

These are the key lessons we will be sharing with our children this half term. We hope you will also share these messages with your children at home.

What is success? Everyone seems to think about it quite differently! While some people think that money or fame equals success, there is a lot more to it than that.

True success is not about things or status or money but is about the kind of person you are and the positive impact you have on the world. Here are some of the many ways that success can be defined:

- Living a life you can be proud of.
- Doing your best.
- Spending your time with people and activities that are important to you.
- Standing up for things that are right even when it's hard.
- Becoming the best version of you.

So what does it take to become successful?

- A worthwhile goal
- Action, not just talk
- Hard work
- Preparation and practice
- Good habits
- Perseverance.

RSE in action... Children in 3,4 and 5 enjoyed an opera performance which inspired child to develop their own confidence in performing and speaking aloud.
