

MATHS

This half term we will be consolidating our knowledge of Number.

Addition and subtraction within 1000.
Partition 3 and 4 digit numbers. Children will use a written method and work on ways to work mentally.

Multiplication and division- We will be looking at the 3, 6 and 8 times tables as well building on our times table knowledge from Year 2.

Place Value - We will be consolidating our knowledge on our place value up to 100 and understanding our thousands.

PE

We will be looking at games and how we can work as a team to achieve a goal. Children will also look at tactics on how to beat the opposition.
Commando Joe's will be multi skills.

RE

Year 3 will be looking at Hinduism and how they worship. Children will look at different cultures and countries who are closely associated with Hinduism.

ENGLISH

In English, we will use text Ocean Meets Sky to write a narrative in first person and a letter recount.

We will be learning to write chronologically, using time, place and cause adverbs, conjunctions and prepositions.

Children will be focusing on their handwriting and letter formation at the beginning of the year.

ADVENTURERS 1 AUTUMN TERM 1 CURRICULUM

READING

We will be reading Ocean Meets Sky and discussing the meaning of the text/pictures in the story. The book will be heavily linked with PSHE and feelings.

LMTW -Adventurers- This unit is lightning speed.

DT- Design a communications device suitable for the Evil Genius.

Science- Identify appliances that run on electricity. Know how to construct a simple series electrical circuit and name the different parts. Identify whether a lamp will light in a simple series circuit. Recognise that a switch opens and closes a circuit and associate this with whether a lamp lights in a simple series circuit. Know and identify some conductors and insulators.

Art- Create a book cover using printing.

LMTW-Adventurers - This unit is lightning speed.

PSHE- Know how to keep safe and how and where to get help. Use strategies to stay safe when using ICT and the internet.

Music- Apply knowledge of the effects achieved by choosing specific tempos for a purpose and how changing tempo in a piece can create drama and evoke mood changes.

ICT/Computing- Use ICT safely and appreciate the need to keep electronic data secure. Identify the opportunities computer networks offer for communication and collaboration. Use key words to search for and select appropriate information from the internet and other digital sources. Understand computer networks including the Internet, recognizing how they can provide multiple services, such as the world-wide web.
