

## MATHS

In maths this half term, we will be looking at addition and subtraction. The children will use column methods to add and subtract numbers for up to three digits.

Numbers to 10000- recognise that 10 hundreds is equal to 1 thousand and 1000 is 10 times the size of 100. Recognise the place value of each digit in a four-digit number. Partition numbers.

## PE

In PE this term, the children will be completing a games unit.

Multi skills with Commando Joe's

## RE

This term in RE, the children will be learning about what Christians believed about Jesus. They will learn about who Jesus was, why he taught parables and why he needed disciples.

# ADVENTURES 2 AUTUMN TERM 1 CURRICULUM

## ENGLISH

In English, we will use texts- Ocean Meets Sky by Terry Fan.

The children will write narratives. They will identify the different stages of a narrative and then will plan and write their own. They will write using varied vocabulary and sentence structure.

Write recounts. The children will write recounts in first person. They will use expanded noun phrases to add description and time adverbials of time.

## READING

We will read our colour banded reading books each day in groups. We will be reading ocean meets sky. We will also be enjoying our 3pm read sharing a book picked by a different child each day.

## LMTW -Adventurers- This unit is lightning speed.

DT- Design a communications device suitable for the Evil Genius.

Science- Identify appliances that run on electricity. Know how to construct a simple series electrical circuit and name the different parts. Identify whether a lamp will light in a simple series circuit. Recognise that a switch opens and closes a circuit and associate this with whether a lamp lights in a simple series circuit. Know and identify some conductors and insulators.

Art- Create a book cover using printing.

## LMTW-Adventurers - This unit is lightning speed.

PSHE- Know how to keep safe and how and where to get help. Use strategies to stay safe when using ICT and the internet.

Music- Apply knowledge of the effects achieved by choosing specific tempos for a purpose and how changing tempo in a piece can create drama and evoke mood changes.

ICT/Computing- Use ICT safely and appreciate the need to keep electronic data secure. Identify the opportunities computer networks offer for communication and collaboration. Use key words to search for and select appropriate information from the internet and other digital sources. Understand computer networks including the Internet, recognizing how they can provide multiple services, such as the world-wide web.
