# Why your support is important

- We want to encourage a **love of reading** and want to see you reading all sorts of things, not just your school book
- Reading for 5 minutes, 3 times a week means your child will have read for an **extra hour a month!**
- By making reading aloud a regular part of your family's routine, you're not just helping your children with their learning – you're
  - **building memories**
  - **finding out more about each other**
  - **instilling a love of reading that will last a lifetime!**
